

Corrigendum – March 2020

The Commission for Children and Young People makes the following correction to the *In our own words* inquiry report, tabled in parliament on 27 November 2019.

The figure showing permanent care orders issued between 2008–2009 and 2017–2018 on p.186 of the inquiry report was based on a data set that incorrectly included long-term guardianship and long-term care orders. A revised figure 17 is provided below. The narrative in relation to this figure in the report on p.186 remains accurate.
